<u>Location</u>	Center for Architecture – Gallery I 200 East Grayson, Ste. 110 – free parking
<u>Certification</u>	1 AIA Continuing Education Credits (<i>Health, Safety, Welfare, Sustainable Design accredited</i>)
<u>Cost</u>	AIA Member: \$25 Non-Members \$35

Session Overview:

This class will help you present add a valued proposition to your clients when you understand the concepts and principals of Retro Commissioning (RCx) and how it can be a successful application in the sustainability and energy efficiency of existing buildings. This class will allow you to help your clients understand the place RCx in the remodeling of existing buildings by identifying ways to improve overall building performance and by investigating how and why a building's systems are operated and maintained.

MEET THE PRESENTER:

Mike Lackey, PE, LEED AP, CxA
Lackey Commercial Properties, LLC
Db a Lackey de Carvajal CX

A graduate of Texas A & M University with a BS in Engineering, Mike is the Key Principal and Lead Commissioning Agent at Lackey de Carvajal CX is currently a Director at San Antonio River Authority, Member of SMPS San Antonio-Austin Chapter and a Member at Hispanic Chamber of Commerce, Board Member at Texas Public Radio, participant at Leadership in Capital Projects Forum and an Allied Member of AIA San Antonio. Mike has served as Director at Parsons, and Trustee and Chair of the Audit Committee at San Antonio Water Systems as well as former Planning Commissioner at City of San Antonio.
